

ASSIGNMENT-3

Team ID: NM2023TMID14262

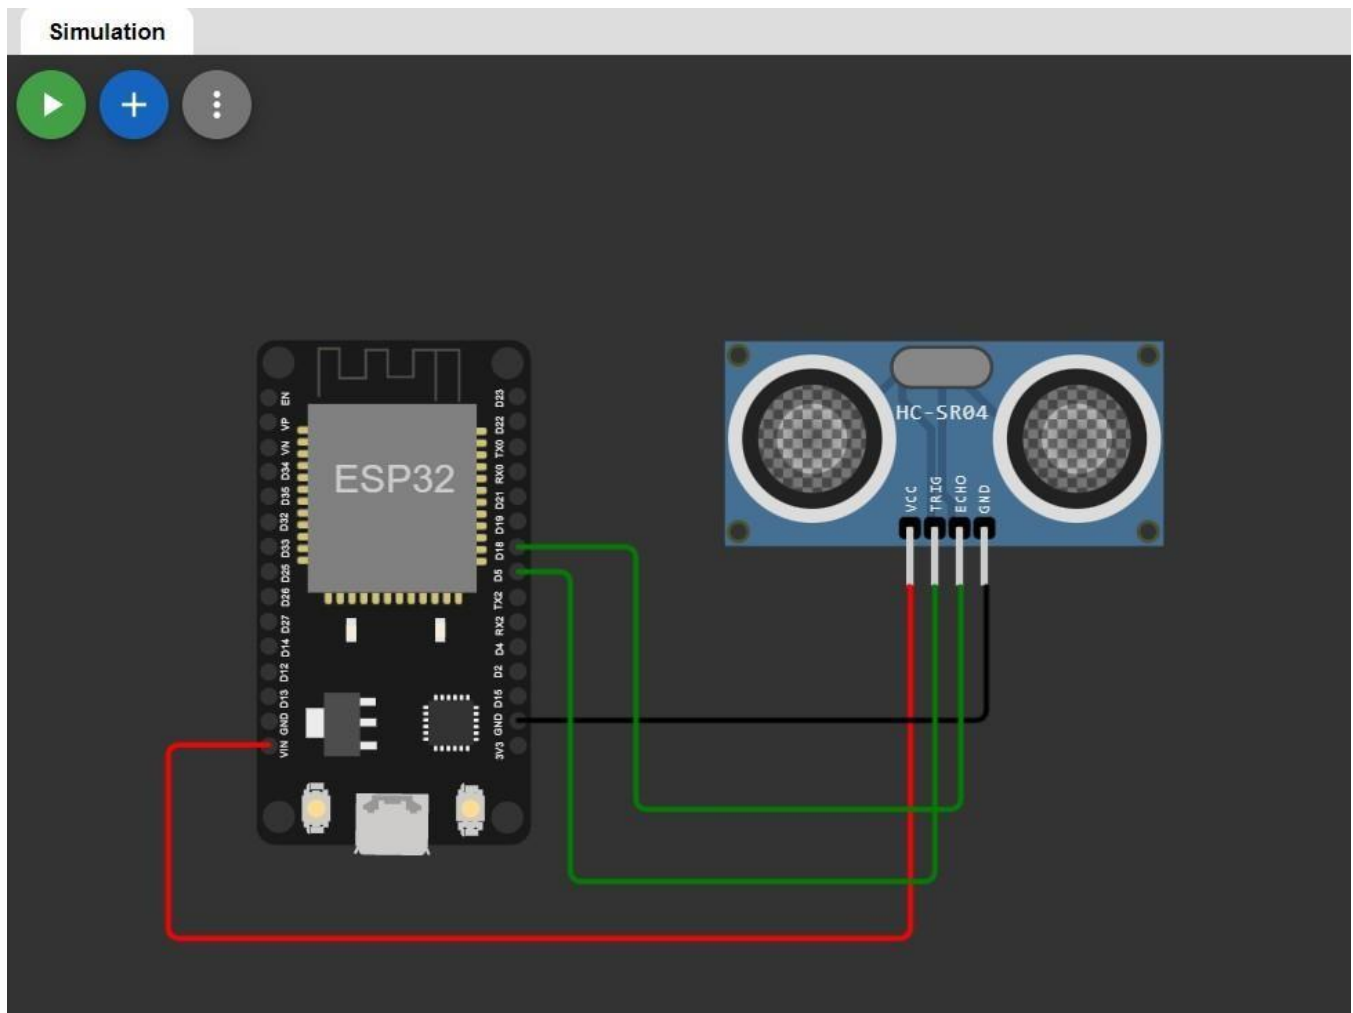

Member Name: Ricky Charles R

Domain: IoT

(Build WOKWI product, use ultrasonic sensor and detect the distance from the object. Whenever distance is less than 100cms upload the value to the IBM cloud in recent device events upload the data from WOKWI)

WOKWI LINK: <https://wokwi.com/projects/364706331579436033>
